Vendor FAQ, Rules & Regulations

Tour de Bowness Race & Festival Monday, August 5, 2024

Get ready for Tour de Bowness 2024!

****PLEASE READ THE BELOW INFORMATION CAREFULLY AN IN FULL****

We are offering different categories of vendor booths that will take place on Mainstreet Bowness Rd at our Tour de Bowness Race + Festival on Monday, August 5th, 2024 from 10am to 5pm.

The vendor component will complement the kids' area programming, dance demonstrations/lessons, street performers and our Tim Hortons main stage entertainment.

How will I know where my table will be located?

In late July, we will send you a map with our location clearly indicated the details regarding your set up.

May I sell Food?

Calgary Health Region gives prior approval to all those who wish to sell food. All types of food, even pre-packaged food require pre-approval. This includes bottled water, pop, chips, etc. Any pre-packaged samples, that is part of a promotion, is included in this category. Furthermore, all food must be prepared in an approved site and requires special handling.

Please review these website links for more information on food vendors and cooking booths:

Do you provide power and water hook-ups?

No – we only accept food vendors with self-contained units.

May I use a generator?

Only gas-powered generators are permitted on site.

What happens if it rains that day?

Please note however, we do not give refunds due to bad weather. **The party goes on rain or shine!**
